More days?

The group accommodation can be used for the days you have reserved for. If you wish to extend your stay, you have to arrange and to pay the extra night(s) to the house keeper of the group accommodation. The group accommodation is **available** from Monday 15:00 o'clock until Sunday 12:00 o'clock.

Meeting point

As mentioned above, the Bekerhof provides *very simple* accommodation and that is reflected in the price. (A local hotel with all meals included will cost at least three times this price.) Therefore, don't expect a lot of privacy, or 5-star treatment. However, many of our past participants have formed friendships for a lifetime with the other flute players staying in the hostel. *A support network of contacts is exactly what every flute player needs!*

For additional wishes and/or questions please contact the competition secretary or the housekeeper.
